FAQ

Welcome to your interactive Plan of Study (iPOS)!

This interactive tool will soon be your new best friend, as it will help you navigate and plan all your program requirements, as well as track your progress through coursework and milestones.

Here's how to get started:

1. First, consult with your program advisor as soon as possible, for guidance on those requirements, and ask for a copy of your program handbook if you haven't yet received one. Your handbook will provide a ready reference for all program requirements.
2. Then, fill in your iPOS with the requirements you and your advisor agreed on.
3. Submit!

Once you submit your iPOS, the system will alert you to any errors, or prompt you with a petition if you are making a request that is outside of standard graduate policy. Then it will be reviewed by your academic program, and sent on to the [Graduate College](#) for final review.

Please watch this short video:

One last but supremely important note:

All graduate students are required to read the [ASU Graduate Policies and Procedures manual](#), be familiar with graduate policies, including the [continuous enrollment](#) policy, as well as act with honesty and [academic integrity](#) when carrying out all academic assignments.

☐ By selecting this box, I am confirming that that I have read, understand, and will abide by all Graduate College policies, including the continuous enrollment policy, located in the ASU Graduate Policies and Procedures manual.

Course Admin

On the Course Admin page, you add the courses you plan to take and in which term you plan to take them. You can always make changes in the future, if necessary.

First, select your Anticipated Graduation Term based on when you project completing the degree. This can be changed afterwards if needed.

Course Admin ⓘ

To add courses to your iPOS, select the "add courses" button for the corresponding section. Depending on your program, you may see multiple sections and will need to assign courses to each accordingly. If you need more time completing the courses section of your iPOS, you may select the "save as draft" button at the bottom of the page and return later.

Course requirements are determined by your catalog year for your program; your catalog year is **2019-2020**.

Faculty Committee

All programs require that a faculty Chair be designated for your plan. To submit the initial iPOS, only the Chair is required and the rest can be added at a later date, if required. Some units will tell you who you need to add as your Chair. If not, contact your staff advisor.

Faculty Committee ⓘ

Your graduate faculty committee is a resource for advice and guidance on course selections, project topics, and program requirements. Your program requires that you have a committee of 3, although some program paths may require additional members. Your staff advisor, program handbook, and program website will provide you with support as you set up your faculty committee. You may also utilize the [Graduate Faculty](#) website which is a resource for PhD endorsed faculty.

The first time your iPOS is submitted, you may submit a complete graduate committee, or at minimum one chair, or two co-chairs. Please keep in mind that prior to starting your culminating event, your full faculty committee must be included on your iPOS.
