Incubators

Fablabs

# CY Advanced Studies

90 Visiting scholars per year

50 Scientific events per year

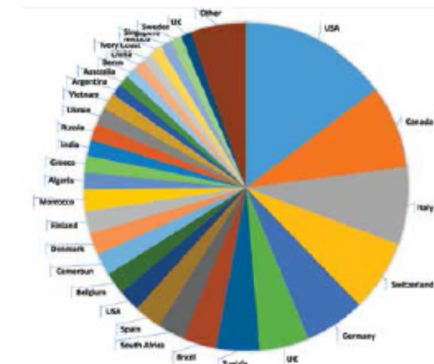

20 Fellows-in-residence at CYAS

5 Scientific programs

Composition of nationalities among fellows

The current composition of country of origin among fellows comes as follows.

- 1 or 2 American researchers, for a total of 10 months of grants available
- 3 first - or second-year Master's students (funding renewable for the second year);
- 1 *Fulbright Specialist*: an expert with experience (holder of a PhD or of a similar level), with major professional, scientific, or artistic achievements, who engages in one or several of the university's activities for a period of two to six weeks.

Launched in 2018, the **Make Our Planet Great Again (MOPGA)** initiative supports **Foreign researchers** holding a doctoral degree for less than 5 years. **60 fellowships** will be awarded for a **12-month period** from September 2025.

- Earth systems
- Climate change and sustainability
- Energy transition
- Societal challenges of environmental issues
- Human, animal and ecosystem health as part as a "One Health" approach.

CALL**

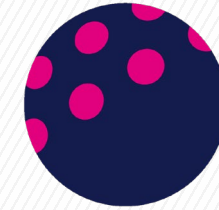

## EUTOPIA European Universities alliance

At a European level, CY has been involved in the creation and evolution of EUTOPIA European Universities alliance, funded by the European Commission.

The EUTOPIA alliance of European universities includes our university,

- **CY Cergy Paris Université,**
- **Babeş-Bolyai (Romania),**
- **Vrije Universiteit Brussel (Belgium),**
- **Ca' Foscari University of Venice (Italy),**
- **Technische Universität Dresden (Germany),**
- **the University of Gothenburg (Sweden),**
- **the University of Ljubljana (Slovenia),**
- **NOVA Lisboa University (Portugal),**
- **Pompeu Fabra University - Barcelona (Spain),**
- **and the University of Warwick (UK).**

**eUTOPIA**  
Alliance of 10 European Universities

EUTOPIA brings together nearly

**300,000**  
**students**

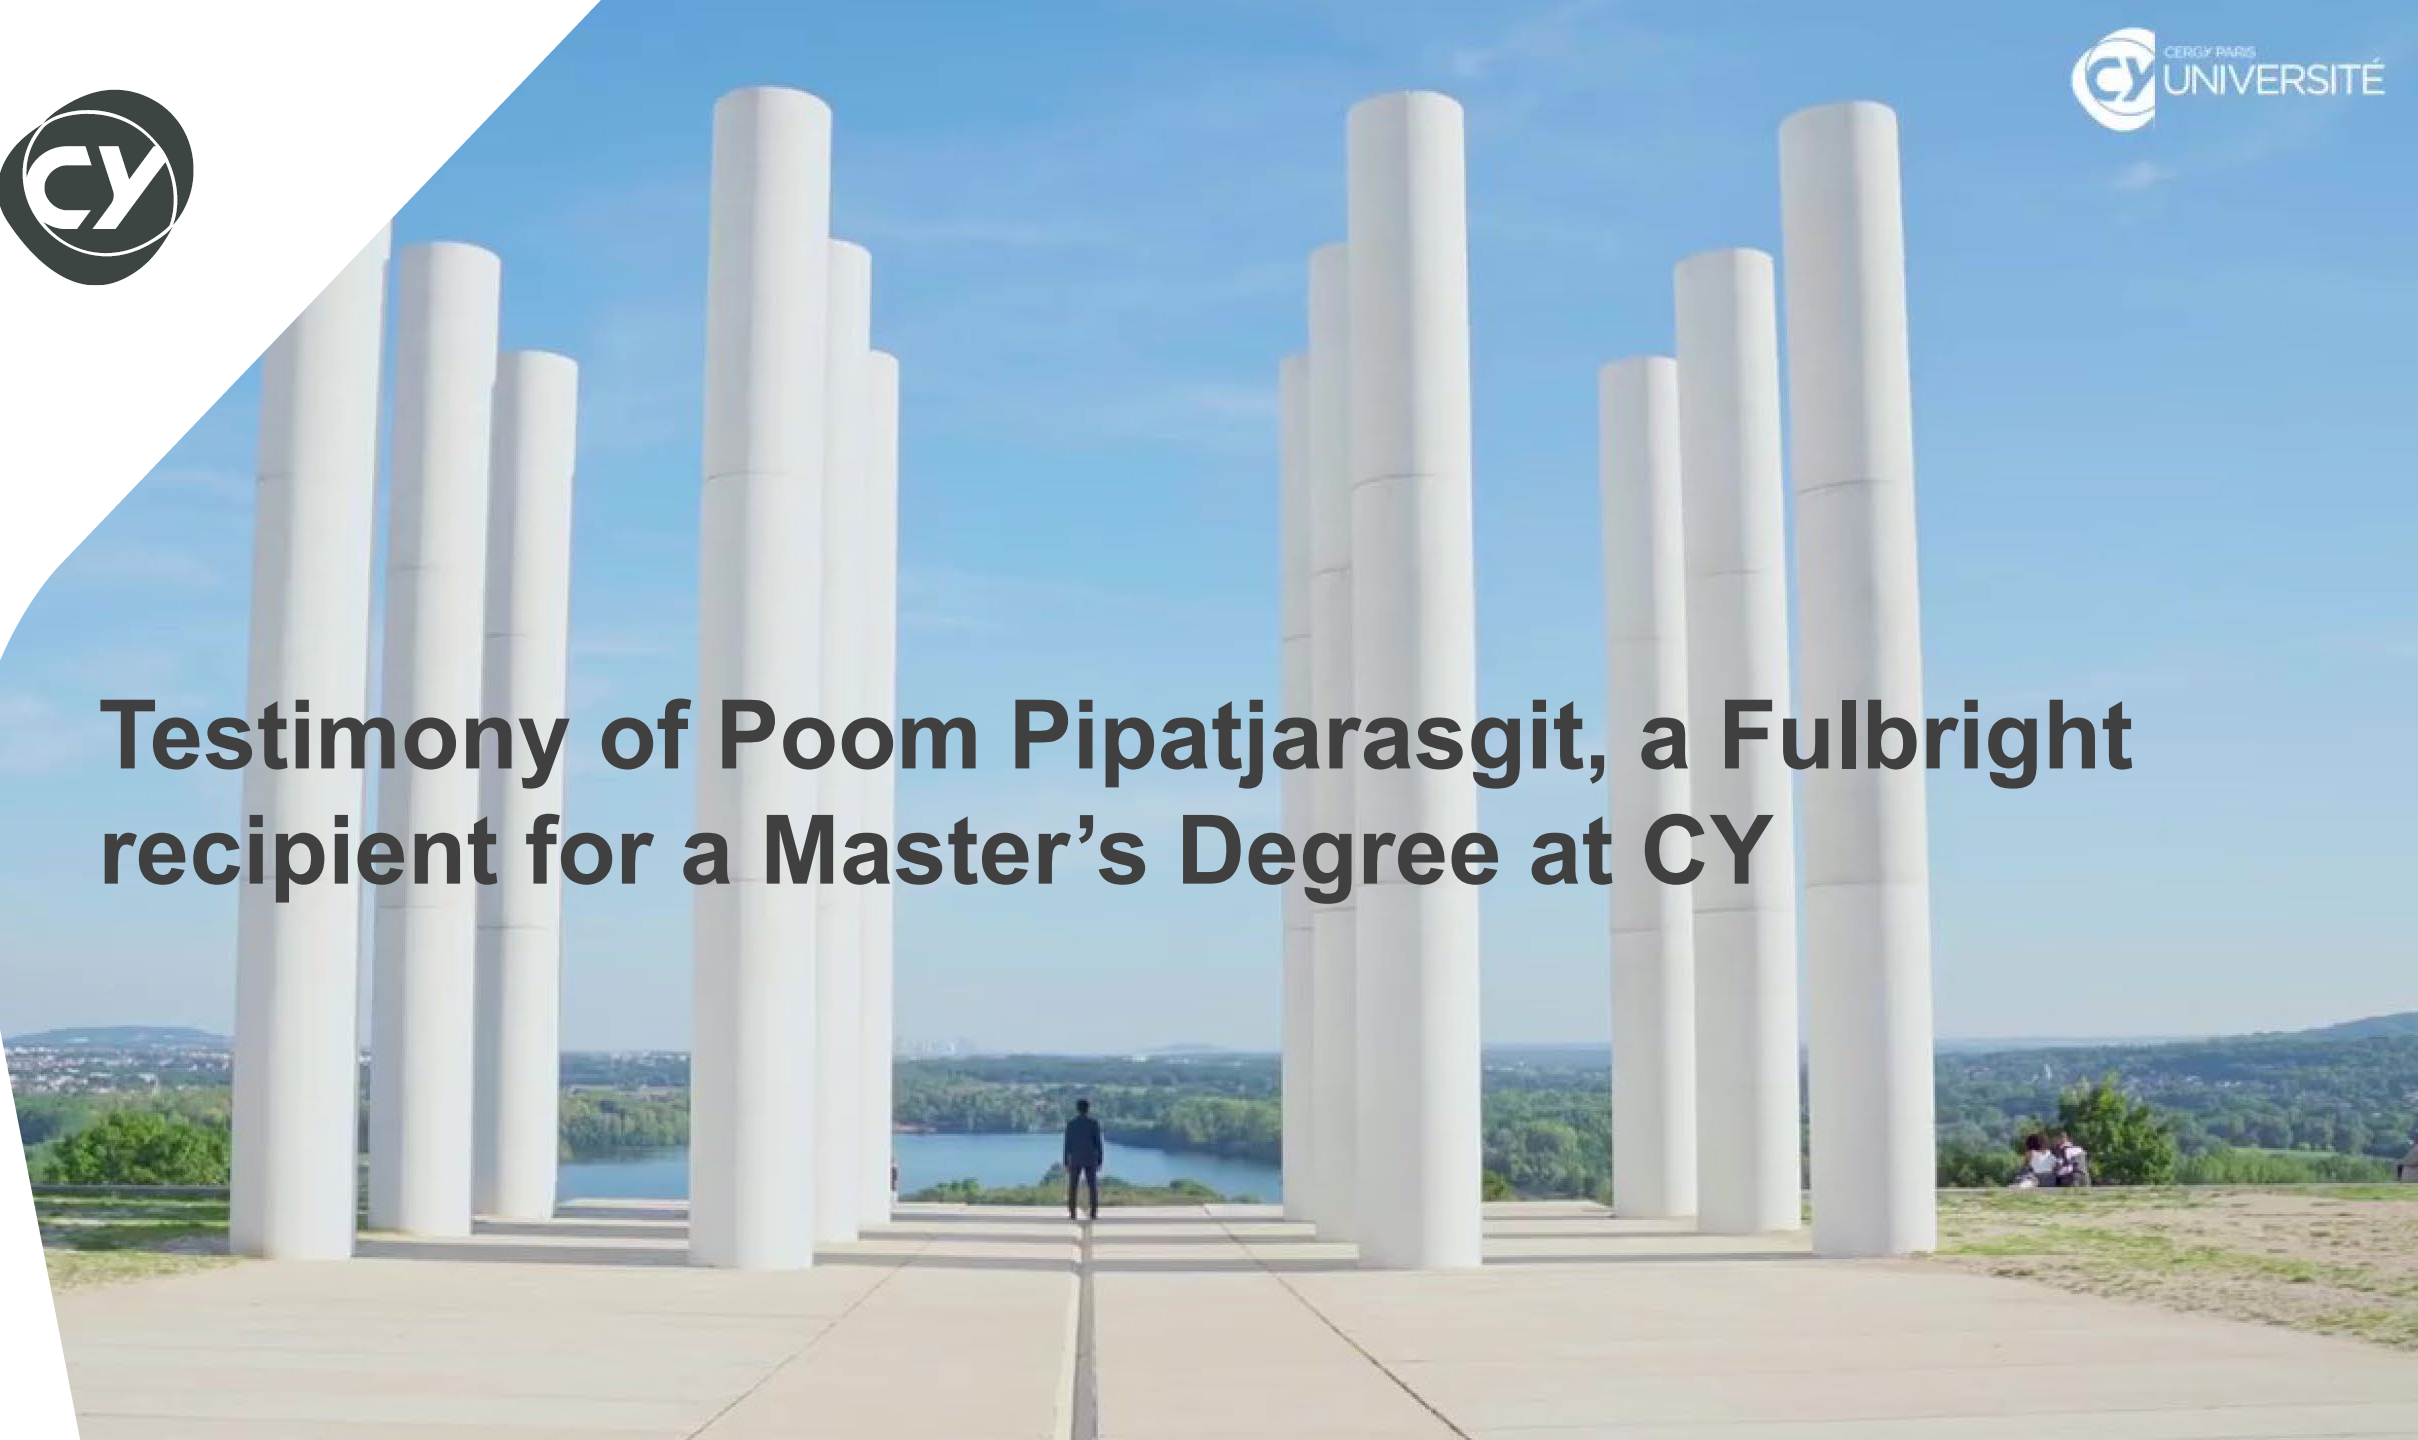

**45,000**  
teaching and administrative staff  
in over **130 faculties**

All EUTOPIA universities are multi-disciplinary, with no fewer than

**850**  
**disciplines** covered by our  
various research centers.
