The following instructions will guide you to obtain the base level access that we recommend for Graduate Support Staff across ASU. You may not need all of these access roles or you may need more based on your job description and duties.

**PeopleSoft Access**

In order to gain access to PeopleSoft roles, you will need to submit a request online and complete training for each role you have requested. To request access:

1. Login to your MyASU
2. In the black band, click on “Staff” or “Faculty.”
3. In the black band, click on “Service.”
4. Click on “Access Requests.”
5. On the left, under “Categories”, click on the + to the left of “Security” if the drop down does not open automatically.

6. Click on the + to the left of “Identity and Access Management” if the drop down does not open automatically.

7. Click on “PeopleSoft Security.”

This window may also show up as follows:

Note: to check the status of your request after it has been submitted, click on the “PeopleSoft – Status of Role Request.”

9. Enter the End-User’s UserID and click on “Continue.”
   a. The End-User’s ID is your ASUrite ID.
10. Enter the Purpose for the Access Request, your supervisor’s UserID (ASUrite ID) and click on “Continue.”
   a. The purpose should briefly explain why you need the access you are requesting.
      o Example: I’ve assumed a role as an advisor. This requires me to; approve iPOS’s, edit supplemental apps.

11. Click on “Add Roles”

12. The available security roles are listed in application areas. Search for the roles listed below and check the box to the left of the role. When requesting some roles, you will be required to enter the Academic Plan Codes you will be working with. If you do not know what those are or where to obtain them, please contact the Graduate College at 480-965-3521 and ask for your Graduate Support Coordinator.
