

Access Roles

The following instructions will guide you to obtain the base level access that we recommend for Graduate Support Staff across ASU. You may not need all of these access roles or you may need more based on your job description and duties. Consult with your supervisor about which ones you may need.

PeopleSoft Roles

Below are PeopleSoft roles related to Graduate Support Staff positions. Some positions require access to all 3 areas. Input all requests at one time, as the requests go to many different areas for review and will take longer if you submit one at a time. See instructions below for how to check the status of the approvals.

Graduate Advising Staff	SR Standard Student Pages View (gives access to view student information in PS like the Student Services page, etc.)
	Acad Unit POS Supervisor (gives ability to make changes on iPOS)
	Dept Staff GR Admissions Vw (provides access to view graduate applicants in Gportal)
	Supplemental App Acad Unit Vw (provides access to view supplemental applications in PS that are included in the program applications)
	Accelerated App Tracking (provides access to the 4+1 accelerated applicant tracking tool (only needed if the position will be advising for a 4+1 program))
	Acad Unit GPortal Financial (if the position requires inputting funding awards for students—i.e. TA/RA, fellowship awards, etc.)
Business Operations Staff	SR Standard Student Pages View (gives access to view student information in PS like the Student Services page, etc.)
	Acad Unit GPortal Financial (if the position requires inputting funding awards for students—i.e. TA/RA, fellowship awards, etc.)
	Acad Unit POS Supervisor (if position requires making changes on iPOS)
	Acad Unit POS View Only (if position requires the ability to only view the iPOS and NOT make changes).
Unit Admissions Staff	SR Standard Student Pages View (gives access to view student information in PS like the Student Services page, etc.)

	Dept Supv GR Admissions Vw (provides access to view and process (admit/deny) graduate applicants in Gportal)
	Supplemental App Acad Unit Gen (provides access to edit supplemental applications in PS that are included in the program applications)

PeopleSoft Access

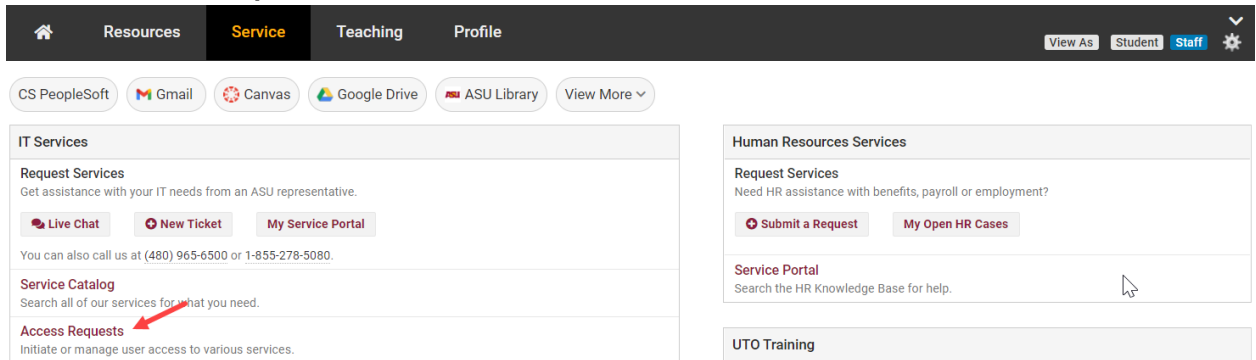

1. Log in to your MyASU and click on Staff view.

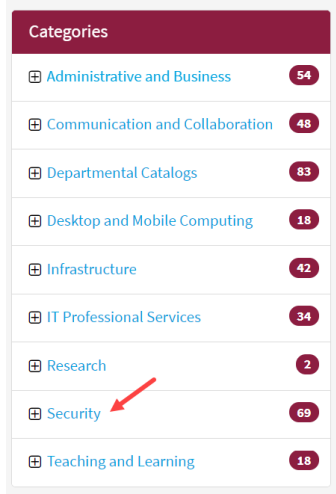

2. In the black band, click on **Service**.

3. Click on **Access Requests**.

4. On the left, under Categories, click on the + to the left of Security if the drop down does not open automatically.

5. Click on the + to the left of Identity and Access Management if the drop down does not open automatically.

Note: To check the status of your access request, click on **PeopleSoft – Status of Role Request**.

8. Enter your ASUrite ID (End-User's UserID) and click on **Continue**.

ASU PeopleSoft Security Request

Requested Security Access ASURITEs and Purpose

- Enter the UserID for which you are requesting a change, then click the Continue>> button. The system will evaluate whether this is a new access request or one which has been started but not yet submitted.
 - Note: Fields which have a label preceded by an asterisk (*) are required.

*End-User's UserID:

[Continue >>](#)

Enter the Purpose for the Access Request. The purpose should briefly explain why you need the access you are requesting (example: I've assumed a role as an advisor. This requires me to; approve iPOS's, edit supplemental apps, etc.). Enter your supervisor's ASURITE ID (UserID) and click on **Continue**.

Disclaimer

Arizona State University, pursuant to the Federal Family Educational Rights and Privacy Act of 1974 (the Buckley Amendment), has a comprehensive policy to safeguard the confidentiality of student personal and academic information. Complete instructions are furnished in the University General Catalog, "ASU Policy on the Release of Student Information." Further information is available in the University Registrar's Office, Student Services Building or online at <http://students.asu.edu/policies/ferpa>. Unauthorized release of student information in violation of the policy or the Privacy Act will necessitate the revocation of your access to ASU's administrative computer systems, and may result in disciplinary action up to and including termination.

To be allowed to use ASU's computing systems the specified applicant must agree to abide by applicable Federal Law, State Law, and University Policies. Failure to abide by applicable law, or university policy, can result in the University suspending computing privileges, taking additional disciplinary action, and/or legal action. Details for computing use policies can be found on the Web at <http://getprotected.asu.edu/> and <http://uto.asu.edu/>.

By submitting this form, you confirm that you have read and agree to abide by the above FERPA policy statement.

Analytics Access

Analytics - This tool is used to run reports and track current student progress. To request access:

1. Click on this URL: [Analytics Access](#).
2. Enter the information as shown below.

The screenshot shows the ASU Analytics Group Access form. The form is titled "Analytics Group Access" and includes instructions on how to use it. The form fields are as follows:

- * Requested for: A text input field with a red arrow pointing to it from the label "Enter your asurite".
- * Group name: A dropdown menu with "Graduate Student Progress" selected. A red arrow points to it from the label "Select Graduate Student Progress in drop down".
- * Reason for access request: A text input field with a red arrow pointing to it from the label "Enter reason for request".
- * Supervisor (approver): A dropdown menu with a red arrow pointing to it from the label "Enter supervisors asurite".
- * Order Now: A red button with a red arrow pointing to it from the label "Click order now when form is complete".

3. Once the access request has been submitted, please allow 7 business days for processing, as the access request requires several levels of approval before access can be granted.
