

Running the Non-Degree Graduate Enrollment by Term and Prefix Query

This query runs against one or more terms and one or more prefixes and gives you a list of non-degree graduate students that are registered for at least one credit(s) in the chosen terms and chosen prefix(s).

1. Open Hyperion and sign in
2. Follow the path Student -> Admissions – Grad Career
3. Double click the Non-Degree Graduate Enrl by Term and Prefix.bqy query
4. Click Process
5. Select or enter the term(s) that you want to run, e.g. 2087
6. Select the Prefix(s) that you want to run, e.g. BIO
7. Wait for your results.

Send suggestions, questions, etc. to grad-it@asu.edu.
