The Drs. Rosalee G. and Raymond A. Weiss Research and Program Innovation Grants

(Click title for more information)

**Sponsor:** American Psychological Association

**Amount:** $1,000

**Deadline:** September 15, 2020

**Focus Area:** Research, education and intervention projects and programs that use psychology to solve social problems in the following priority areas:

- Applying psychology to at-risk, vulnerable populations
- Preventing violence
- Understanding the connection between behavior and health
- Understanding and eliminating stigma and prejudice

International Research Experiences for Students (IRES) (Click title for more information)

**Sponsor:** National Science Foundation (NSF)

**Amount:** $1,000,000

**Deadline:** September, 2020 (see website - multiple dates)

**Focus Area:** The International Research Experiences for Students (IRES) program supports international research and research-related activities for U.S. science and engineering students. The IRES program contributes to development of a diverse, globally-engaged workforce with world-class skills. IRES focuses on active research participation by undergraduate or graduate students in high quality international research, education and professional development experiences in NSF-funded research areas.

Josephine de Karman Fellowships (Click title for more information)

**Sponsor:** Josephine de Karman Fellowship Trust

**Amount:** $25,000

**Deadline:** January 31, 2021

**Focus Area:** DeKarman fellowships are open to PhD students in any discipline, including international students, who are currently enrolled in a university located within the United States. Only PhD Candidates who will defend their dissertation in or about June 2021 are eligible for consideration for a 2020-2021 fellowship. Undergraduate students, master's degree students, and postdoctoral scholars are not eligible for consideration. Special consideration will be given to applicants in the Humanities.
